The events of 2020 have shown us that efforts by corporations to provide safe and equitable workplaces are more important than ever and must be part of every training plan, promoting productive and harmonious workplaces.

Training for employees to build a stronger corporate culture comes in many different shapes and sizes but basic curriculum requirements include:

1. An annual Preventing Harassment / Respect in the Workplace program.
2. Diversity Fundamentals to illustrate the importance of respect in the workplace and how all employees have something of value to say and to contribute.
3. Detailed training on key diversity topics including
   - Abusive Conduct in the Workplace
   - Beyond Sexual Harassment - Workplace Discrimination & Harassment on Other Grounds
   - Unconscious Bias
   - Bystander Intervention
   - ABCs of LGBTQ

Peak Diversity content is easily customizable to meet specific client requirements and cultures. Flexible licensing options are available:

(1) License per learner

(2) One time perpetual license fee for your entire organization
   (Maintenance options for module updates are available).
